IWS also offers a variety of comprehensive and flexible warranty programs, otherwise known as Vehicle Service Agreements (VSAs) or Mechanical Breakdown Insurance (MBIs). Some plans below are also available for business use

CLATINUM Provides the most comprehensive named exclusion coverage available on the market today at an affordable cost. Coverage follows most manufacturer's warranties and guidelines that originally came with your vehicle. Platinum coverage is designed to extend the original full factory warranty and in some cases may even enhance it. Additional benefits such as car rental, roadside assistance, trip interruption protection and towing are also included. KeyGuard, coverage for new, expensive key fobs and Accidental Loss Refund is optional.

PREMIER

A named component plan for both new and used vehicles that provides an exceptional value in vehicle service protection. Coverage includes all powertrain components, as well as most major mechanical and electrical systems. Additional benefits such as car rental, roadside assistance, trip interruption protection and towing are also included. KeyGuard, coverage for replacement of new, expensive key fobs and Accidental Loss Refund is optional.

PREMIER

RONZE

A named component plan for used vehicles only and not under factory powertrain warranty. Coverage includes all powertrain components, as well as most major mechanical and electrical systems. Additional benefits such as car rental, roadside assistance, trip interruption protection and towing are also included. KeyGuard, coverage for replacement of new, expensive key fobs is and Accidental Loss Refund optional.

WERTRAIN Powertrain plans are designed to protect vehicles from major high-cost repairs, including the engine, transmission and drive-train. Additional benefits such as car rental, roadside assistance and towing are also included. KeyGuard, coverage for replacement of new, expensive key fobs and Accidental Loss Refund is optional.

ENTRY Especially designed to assist military personnel by offering a low cost powertrain plan that provides protection from major high-cost repairs to vehicles, including the engine, transmission, and drive-train. Additional benefits such as car rental, roadside assistance and towing are also included. KeyGuard, coverage for replacement of new, expensive key fobs and Accidental Loss Refund is optional.

OWERSPORTS Our extended Powersports warranty programs protect the essential components of your motorcycle, ATV, snowmobile or personal watercraft from the high cost of repair or replacement. Additional benefits for on-road motorcycles only include substitute transportation, roadside assistance, trip interruption protection and towing are also included.
